Camelback Montessori College Preparatory

We are Arizona’s first and only Montessori High School. We offer a holistic educational experience to address the emotional needs and intellectual curiosities of the adolescent as they prepare for their role in society.

- All honors curriculum
- Block scheduling
- One-to-one iPad device
- Socratic seminars
- Differentiated instruction
- Service learning in the community
- Small classes of 25 students
- Cross-curricular cycle themes
- Senior capstone experience
- Post-secondary college planning

What is Montessori?

Started in 1907 by Dr. Maria Montessori, a Montessori education cares for the needs of the whole child through the head—by introducing student centered, choice-based academics – the hands—through project work and care of the earth— and finally the heart—by teaching how contributions to the community help to shape a better world.
